

3 Monkeys Inflatables Grill Safety Sheet

Rules for Grill Safety:

- ✓ Keep grill at least 10 feet away from any building. (Overhangs, enclosures, deck railings, out from under eaves, overhanging branches, including screened porches)
- ✓ Be sure the grill is table and positioned firmly on level ground before using.
- ✓ Keep decorations away from the grill
- ✓ Keep a fire extinguisher within a couple of steps of your grill.
- ✓ **NEVER** leave the grill unattended.
- ✓ Do not use a grill indoors
- ✓ Do not overload with food. (The basic reason for this is that too much fat drips on the flames at once can cause a large flare-up that could become a large fire)
- ✓ Keep children and pets away from the grill. (Within a minimum of 3 feet)
- ✓ Do not allow anyone under the age of 21 to operate the grill.
- ✓ Be sure to turn off the propane tanks immediately after finishing using the grill.
- ✓ 11. Make sure that hair, clothing and other fabrics are tied back and kept away from warm surfaces.
- ✓ Do not move the grill once it is lit.
- ✓ Use protection when grilling (heavy apron and oven mits, along with long handled utensils designed for barbequing.
- ✓ Never use gasoline or other flammable liquids to the grill.
- ✓ Keep grill away from heavy foot traffic.
- ✓ Always make sure your grill lid is open before light it (www.nfpa.org)

Be safe, be careful & always be paying attention. The grill surfaces are extremely hot, causing burn injuries if you are not careful.
